Dear Mr. Jones:

Re: Allergy and Environmental Health Association

Further to our conversation yesterday, I am forwarding the package of information which Mr. Chris Brown, of the Ottawa Branch of the Allergy and Environmental Health Association sent to our office. The matter was discussed at our Legal/Priorities Committee meeting, which determined that ARCH or another similar agency is better suited to deal with this situation than CELA. Personally, I believe the issue is worthy of further investigation, but unfortunately, it does not fall within CELA's areas of expertise.

I have spoken with Mr. Brown, and he would appreciate it if you could contact him after you have had an opportunity to review the file. His phone number is on the letter addressed to our office. Thank you.

Yours truly,
